INSURANCE & CERTIFICATES

BVL requires contractors to hold and supply copies of the following insurance and certificates:

- Public Liability insurance** in the amount of at least \$10 million; and
- Workers Compensation insurance**, where required by law. You should check the statutory requirements, including the statutory threshold after which Workers Compensation insurance must be obtained, by contacting Work Cover NSW. You should also be aware that if you intend to subcontract you must hold Workers Compensation insurance as required by the *Workers Compensation Act 1987*. Further, it is your responsibility to ensure that the subcontractor holds current insurance coverage as required by BVL, including his or her own Public Liability and personal injury/income protection insurance; and
- Personal Accident insurance** is required if the Public Liability or Workcover insurance does not cover you for your own injury. Illness insurance, or income protection, will not be sufficient if you are not also covered for injury/accident.
- Other insurance (indicate type) _____

Bush Regenerators are also required to hold and supply:

- First Aid Certificate**
- Chemical Users Certificate**
- Threatened Species Checklist** please complete this if you are managing a BVL project involving threatened fauna, flora or ecological community. The form can be downloaded from www.brunswickvalleylandcare.org.au/contractors/
- Resume** or details of qualifications and experience

It is the contractor's responsibility to keep the items ticked above up to date.
